

QUALITY POLICY STATEMENT

Our quality policy is to operate within the requirements of ISO 9001:2000, and to assure that:

- Engineering and quality standards are established to ensure all products meet or exceed the specifications described by our product literature.
- Customers receive prompt and professional service.
- Customer's purchase orders are shipped completely and correctly within our promised delivery dates.
- Employees and suppliers are knowledgeable of the standards that are expected of them.
- Ongoing efforts are made to improve product performance, and service to better meet customer needs and expectations.
